

**Topic:**  
Ashton Place Mountain Ash Stain

**Revised:**  
6/17/2025

## **Purpose**

To identify and document the approved custom color formula “Old Mountain Ash” for use on community fencing and outdoor wood structures. This specification ensures consistency in appearance following a product update at Sherwin-Williams, which has rendered the previously used color “Mountain Ash” no longer available or matching in tone. The formula listed herein represents a distinct custom mix and must not be substituted with Sherwin-Williams' standard “Mountain Ash” offering.

## **Characteristics**
